Amendment to Limit Government Interference with Abortion 23-07

Reference:

Abortion

Summary:

[View Full Text \(pdf\)](#)

No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

Signatures:

Statewide total needed for judicial and financial impact review (<i>signed by 25% of voters required by s. 3, Art. XI of the State Constitution in one-half of the congressional districts</i>):	222,881
Statewide total needed to make ballot position (<i>signed by 8% of the voters in at least one-half of Florida's congressional districts and in the state as whole as of the last presidential election</i>):	891,523
Statewide total currently valid:	996,512*
Congressional district totals needed for judicial and economic reviews and ballot placement, with currently valid signatures:	View by District by County

***Statewide and congressional district totals for ballot position are NOT OFFICAL until the Secretary of State determines the requisite signatures have been obtained and issues a certificate of ballot position. Once an initiative petition is certified for ballot position, total currently valid may exceed the official totals at time of certification. For status on ballot position, see Status Table below.**

To find out the signature threshold required in each Congressional District for review and ballot position, the current number of verified signatures in each Congressional District by county, and how many Congressional Districts may have met or exceeded signature thresholds, click the link above titled "View by District by County".
