Lorena S. Portillo,
Clark County Registrar of Voters
965 Trade Drive Suite A
North Las Vegas, Nevada 89030
Email: ELinfo@ClarkCountyNV.gov

Dear Ms. Portillo:

On behalf of the Public Interest Legal Foundation (“Foundation”) and its client, we request that you immediately perform your duties under Nevada law to determine whether addresses on the Nevada voter law are accurate and, if not, make appropriate corrections.

Nevada law mandates that “[t]he Secretary of State shall establish and maintain an official statewide voter registration list, which may be maintained on the Internet, in consultation with each county and city clerk.” NRS 293.675. That list must, in relevant part, “[be] regularly maintained to ensure the integrity of the registration process and the election process.” NRS 293.675(2)(i).

Pursuant to Nevada law, “County clerks may use any reliable and reasonable means available to correct the portions of the statewide voter registration list which are relevant to the county clerks and to determine whether a registered voter’s current residence is other than that indicated on the voter’s application to register to vote.” NRS 293.530(a).

Nevada law states, “for the purposes of preregistering or registering to vote, the address at which the person actually resides is the street address assigned to the location at which the person actually resides.” NRS 293.486(1).

In our analysis of Nevada’s statewide voter list dated April 9, 2024, we identified numerous addresses listed as residential that appeared to be commercial buildings where no one resides. Attached to this letter is a list of addresses from Clark County. We are including pictures that we have taken at each location along with additional information we collected.

We request that you conduct your investigation and make any appropriate corrections to the voter roll by June 17, 2024. Please provide an update when your investigations have concluded.

Ensuring the accuracy of the voter roll is especially critical given that Nevada has recently expanded voting by mail. Action is needed prior to mailing out ballots for the November election.

Should further clarification be required, please email lchurchwell@publicinterestlegal.org.

Thank you in advance for your attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Logan Churchwell". The signature is fluid and cursive, with a prominent loop at the end.
